About This Game

Not only zombie game, also mixed with more other features than just to survive or keep shooting and killing zombies around the game.

The world just passed the greatest zombie crisis, however, still some aftershocks related to zombie matters.

People lost their homes, family members, friends, pets, assets, and safety condition as well.

They need someone to restore all kinds of things for new lively and safe society.

It's time for you to restore your home town back to a suitable safety level, , resolve the conflicts of some people, build a big safe house, build a museum and donate your rare items to it, and more.

In this game, you can run around and get into several places and scenes where you can get some quests to help other people. You can increase your relationship with other non-player character in the game as well. You must try to get money and materials in order to build or repair buildings and houses for yourself and others. You can use the materials to craft items, ammo, arrows, collectible items, rare items, and etc. You also need to do fishing to get several kinds of fishes and other items from sea. You can help people to find their beloved ones, pets, stuffs, and more. Spend your time in caves finding raw stones that available to be changed to valuable gemstones which you can sell, give or donate to the museum. Once you have enough materials and money, you can build more rooms in the buildings and improve the safe area where all people can live together.

You will have some weapons (pistol, sword, axe, bow, shotgun, sniper, katana, grenade, etc.) in order to travel around the game scenes. You can go to caves, forest, church, buildings, grave yard, and island along day and night times.

You can earn money from killing zombies, sell your stuffs and items. You can get married to someone with very high relationship and if you can find material to craft a diamond ring too.

The minister of defence lives here in the area, he actually needs your help to complete many quests from other NPCs. He is the person who will give you quests, and promotes you the higher ranks in military starting as a private soldier.

Near the end of the game, you will find some secrets and you need to fix them.

Features:

- Several different scenes (caves or mines, old church, abandoned island, village, town, grave yard, houses, manor, factory, forest, asylum, hospital, mountain, beach, etc.
 - Build a manor, expand the rooms to save other NPC from zombies.
